\*It includes an adjustment as a result of one old concrete bus shelter situated behind the new red aluminium having been dismantled. The newly erected replacement funded jointly by the Community and County Councils becomes the property and responsibility of the County Council.

\*\*It includes a re-evaluation of Community financed street lights which are not insured as they are maintained by the County Council.

The register is a review and re-evaluation of existing assets, with the above adjustments and was prepared by a working group of Clerk and Councillors.
